glass Stainless **The TempSmart™ Spacer System** **IGMA** INSULATING GLASS MANUFACTURER ALLIANCE

VERSATILE & FLEXIBLE

For new homes, these windows are built to your individual needs with optional nailing fin and brick mould, with jamb returns and frame extensions to fit your type of wall construction.

- **Fusion Welded Frame & Sash**
Welding creates a fully sealed, continuous profile that eliminates potential air and water penetration through frame and sash corners.
- **Maintenance Free Solid uPVC Vinyl Profiles**
The multi-chambered design provides structural strength as well as insulating air pockets which reduce heat and cold transfer.
- **Integral Lift Rail**
Permits sashes to be operated with ease.
- **Built-in Water Management Systems**
Carefully engineered independent drain allowing for quick water management to the exterior.
- **Attachment**
The 355 frame features 3 1/4" standard frame depth for retrofit installations. (This cross section shows the renovation brickmould, which is an available option for a full rip out replacement method.)

Window Ratings
AAMA/WDMA/CSA101/I.S.2/A440-05

Size Limitations
Width: Min 22" Max 72"
Height: Min 12" Max 60"
Max. 54" wide (combination units)

* Tested with Solar Gain or Solar Shield Low E and Argon gas filling. * Ask your dealer for details.

hardware **TRUTH HARDWARE**

- **Lift Out Sash Removal**
Both sashes completely lift out of the frame without the use of tools or complicated manipulation.
- **Adjustable Brass Rollers**
Large sashes glide smoothly on durable, corrosion resistant brass rollers.
- **Weatherstrip for Results**
Dual seal Schlegel Fin seal is the superb weather seal design that is ideal for sliders.
- **Cam Locks**
Heavy duty 180 degree locking cams pull your sashes tightly together for a great seal!
- **Hinged Drain Covers**
Designed to keep bugs out while allowing water to flow to the outside.
- **Double Neoprene Bulbs**
Compression style seals close tight where the sash meets the frame and sliding is not required. Our engineers insisted that you get this premium component!

Wide Selection of Styles and Configurations

Optional Internal grills for beauty and distinction.

As we are constantly improving our products, specifications may have changed from those herein. Please contact VWD regarding up-to-date specifications.
