

*INTRODUCING THE PATENT PENDING
ULTRA WINDOW SYSTEM!*

Ultra Roll Screen Window System

by Vinyl Window Designs Ltd., ...of course!

2006

Casement • Awning • Picture

The Ultimate Hidden Roll Screen Comes in a Great Window!

Viper Profiles Limited **VP Frame**

Strong, Durable, Maintenance Free uPVC Vinyl Construction ● Warranted for a lifetime of performance.

Vinyl is impervious to the elements and never requires painting ●

Multi-Chambered Profiles ● Designed for energy savings. The 4 1/2" frames are 38% deeper than standard vinyl windows for extra strength and maximum insulation.

Slim Profiles ● Engineered for maximum light penetration without sacrificing strength.

Computer Controlled Precision Miter Cutting ● Frame and Sash are welded simultaneously for a perfect fit.

Attachment ● The Ultra Window utilizes all VWD brickmoulds and other accessories.

- **7/8" Overall Insulated Glass** – results in superior thermal performance.
- **High Performance Glass – High Performance Glass** – Choose Solar Gain for free solar heat or Solar Shield Low E for reducing solar heat gain. Argon and Krypton Gas fillings will maximize heat savings! KeepSafe Glass is the laminate of choice for security, quiet and safety! E-Clean combines a solar energized exterior glass coating that helps clean your window with our commercial quality Solar Shield Low E.
- **Optional High Performance 1 3/8" overall triple seal unit and 1 1/8" double sealed unit** – with two 1/2" air space for Argon Gas with double Low E allowing for a maximum centre glass 8.2R (.12U) value. Optional 1 1/8" O.T. glass is ideal for use with optional interior blinds.
- **Triple Bond Glazing System** – A flexible Neoprene Dual Durometer hugs the glass (Marine Glazing technique). An exterior wet glazing tape and an interior silicone full perimeter heal bead provide a great seal! This commercial technique is exclusive to the ClimateShield Premium and Ultra Casement. It provides the ultimate in performance and is made for life!
- **IGMAC Approved** – Certification #'s - Inex™ #029619 TempSmart™ #2190-0200508G, Intercept #029912

Hardware **TRUTH HARDWARE**

- **Truth Maxim Heavy Duty Operator** – Truth's proprietary E gard multi-stage coating process is resistant to a wide range of corrosive materials.
- **Superior Triple Seal Weather Stripping** – High pile is designed to let the water run out while preventing insects from entering. Neoprene bulb seal is the ideal compression seal. Dual neoprene interior and central compression seals are air and water tight!
- **Aluminum Reinforced Frame** – Ensures the casement hardware is securely anchored into the vinyl frame with special cut screws threading into the aluminum, as well as the vinyl.
- **Ultra Roll Screen System** – Take advantage of our patented technology for a hidden screen that seals on all four sides without clamps or magnets! Fixed screens are available in a heavy duty extruded design.

VERSATILE & FLEXIBLE

For new homes, these windows are built to your individual needs with optional nailfin and brickmold, with jamb returns and frame extensions to fit your type of wall construction.
